ACCOUNTING ENTRIES – EXPLANATIONS

AMOUNT PAID: payments of Canada Pension Plan contributions, Employment Insurance premiums and income tax (net of adjustments) for the year indicated.

GROSS PAYROLL IN REMITTING PERIOD (dollars only): all remuneration before any deductions. It includes regular wages, commissions, overtime pay, paid leave, taxable benefits and allowances, piecework payments, and special payments. It is equivalent to the monthly total of all amounts that would appear in Box 14, "Employment income" on the T4 slip. For quarterly remitters, it is the total of these amounts for the last month of the quarter.

NUMBER OF EMPLOYEES IN LAST PAY PERIOD: the number of people who drew pay during the last pay period in the month or quarter. Include anyone for whom you will complete a T4 slip, such as part-time and temporary employees, employees absent with pay, etc. Do not include persons for whom you will not complete a T4 slip, such as occasional employees not part of your payroll, and persons who did not draw pay in the last pay period in the month or quarter such as those on unpaid leave.

REMITTING PROCEDURES

We must receive deductions made during the month or quarter by the due date. For more information see the *Employer's Guide*. The date of receipt is the date the payment is delivered to the Receiver General (i.e., tax services office, tax centre, or a financial institution) and not the date you mailed the payment. Please include your share of Canada Pension Plan contributions and Employment Insurance premiums when you remit your employees' deductions.

We will apply penalties for late or deficient remittances on amounts over $500 unless the failure is made knowingly or under circumstances amounting to gross negligence, in which case the minimum $500 will not apply.

If you make your payment at an Automated Teller Machine, check with your financial institution to make sure your payment will be processed and credited to the Receiver General account by the due date.
